

Certificate of Compliance

This is to certify that

HRT ENERGY L.L.C

Warba Centre, Deira Office No. 503, Dubai, UAE

has been assessed by ISCA and meets the requirements of **ISO/IEC 17025:2017**
for Testing and Calibration Laboratories.

ISO/IEC 17025:2017

For the following scope of certification

The certification applies to the competence of laboratories performing tests and calibrations. It ensures that the laboratory operates in accordance with international standards, providing reliable and accurate results in various fields such as industrial, chemical, environmental, and medical testing. The laboratory must demonstrate that its equipment, procedures, and personnel are capable of meeting the strictest quality and accuracy standards.

This certification is subject to annual surveillance audits to verify the continued compliance of the laboratory's practices with the ISO/IEC 17025:2017 standard, ensuring consistent quality and reliable results.
